Gafsa, Tunisia

Profile

Experienced Fullstack Developer Intern proficient in JavaScript,HTML,CSS,ReactJS,NodeJS, Python,MySQL,REST API,Next JS,Svelte JS, and TypeScript. Committed to continuous learning and innovation.

Employment History

Interning as a developer at CPG, Gafsa

01/2023–02/2023

During my internship at CPG, I had the opportunity to work as a Developer Intern. I collaborated with a team of experienced developers to gain practical experience in web development. My responsibilities included coding, testing, and debugging web applications using a variety of programming languages and frameworks.

- Collaborated with a team of developers to develop and maintain web applications.
- Gained hands-on experience in coding, testing, and debugging web applications.
- Utilized CSS, HTML, JavaScript, React JS, Svelte JS, TypeScript, Next JS, Three JS, Express JS, and Python for web development.
- Worked on various projects and gained exposure to different stages of the software development lifecycle.
